

TO SHOW BAY STATE'S APPRECIATION OF SERVICES OF THE VETERANS,

\$25,000 BOSTON GRAND ARMY DECORATIONS

BLACKMAN'S ACTS

Supporters Confident of His Election as Commander in Chief, GRAND PARADE OF AUTOS

That the old veterans may know that Boston remembers what they have done for their country, \$25,000 will be spent on decorations alone, and the city will surpass any previous attempt in making its streets and avenues blaze with the national colors when the thirty-five thousand men in the march over the route of the big parade on Tuesday.

The Grand Army executive committee will spend nearly \$25,000 on its decorations and electrical displays. Capt. P. Blackman, who has charge of the decorating for the Grand Army, says that \$18,000 worth of lighting will be used in carrying out his contracts with the executive committee.

No previous event ever held in Boston can offer a comparison with this vast amount of money which will be expended to welcome the country's defenders in the Civil War. No other city in which past encampments have been held has touched this great expenditure by many thousands.

No such elaborate designs in electrical and floral displays were ever attempted by any other city. The decorations who have seen the original arrangements will have a fine effect these decorations will make.

Headquarters at the Vendome. Although Boston has in past years any city in entertaining its veterans, the present venture will outdo any idea that the visiting veterans may have of Boston's hospitality, and it is so far from the old veterans and the thousands of visitors will be amused with the elaborate displays.

Some time ago and at the place, the Grand Army headquarters in the Old South building, and the executive committee has been left to the city. The details and arrangements so that no time may be left to the city. The details and arrangements so that no time may be left to the city. Automobile Parade Plans. Charles H. Baker, Joseph B. Marzani, Edward D. Allen and Elliot C. Lee, the committee who have charge of the automobile parade to be held on Thursday, August 18, next over the course of the parade route after dark. The committee is in need of one hundred more cars to take the 1,000 veterans on the ride through the historic town through which the city will extend. In the first car will be Commander-in-Chief John C. Black, of Illinois, followed by the delegates and the commander at large. This will be the largest automobile parade ever held in the world, and hundreds of thousands of dollars will be represented in the little run-a-bout and the big touring cars.

The committee requests all those who have the right to an automobile to enter it for that will be the best way to see the parade.

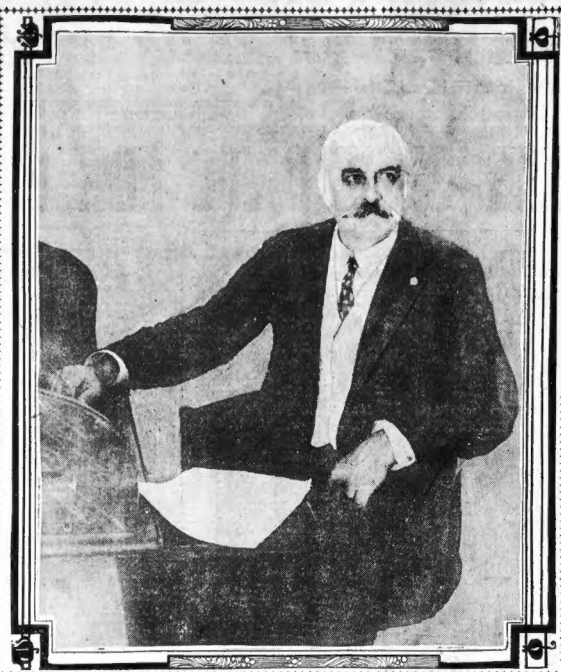

An endeavor is to be made by the executive committee to cross the city streets at Charley and Beacon streets. The meeting capacity will be about 1,000 men and women on the Common. Hundreds of people have called at headquarters and have been told that they have no room for more, and many have offered fancy prices for tickets.

"CHELSEA JOE" WILL LEAD THE PARADE

The leader of the Grand Army of the Republic will meet for their eighteenth annual convention in Lorimer Hall, Tremont Temple, during the week-end, and this meeting will be a real course for the East. In the West - and the South this order has considerable strength, while in the East the Women's Relief Corps follows.

The order was founded November 18, 1868, at Chicago, for the purpose of perpetuating Memorial Day and furthering the unity, fraternity and loyalty of the Grand Army. The East is not entirely without membership, as a few orders have been organized in Massachusetts and Maine. It is expected that at the coming year's convention in Boston, the order will be received at the Grand Army of the Republic.

He is a good share of the credit when the week is demonstrated to be a success.

BOSTON PUBLIC IS ASKED TO COMPLETE G. A. R. GUARANTY FUND

TO THE CITIZENS OF BOSTON: In response to a most cordial invitation from the veterans of Massachusetts, warmly seconded by our State and city officials, the Grand Army of the Republic has again honored this city as the gathering place for the coming National Encampment, Aug. 15th to 20th.

This great gathering of the veterans of our country, led by a few survivors of their great captains, who achieved the highest distinction and the lasting gratitude of their countrymen, promises to be a most eventful occasion in the history of our city, and especially because it is probable it will be the last parade here of that noble army who passed in grand and memorable review before Grant and Sherman and Sheridan at the close of the Civil War.

To carry out this celebration with a dignity commensurate with its national importance, and in keeping with the reputation of our city for hospitality and public spirit, will necessitate a large expense.

The State of Massachusetts and the City of Boston have made liberal appropriations, and the Committee on Finance has made a special effort to raise \$50,000 as a Guaranty Fund, to meet this large expense.

Some \$35,000 has been subscribed by our citizens toward this fund, but we are very desirous that the full amount shall be raised during the next few days, and are now making this special appeal to those who have not subscribed, with the hope that we may have an immediate response which will swell the Guaranty Fund to the amount desired.

All such subscriptions or gifts will be gratefully appreciated, and acknowledged through the press, and may be sent to the Chairman Finance Committee, National Encampment, G. A. R., Old South Building, Boston.

EDWARD H. HASKELL, Chairman. National Encampment, G. A. R., Room 347, Old South Building. Headquarters Finance Committee, Room 347, Old South Building.

For the convenience of Grand Army members desirous of communicating with one another during the coming encampment and ignorant of each other's addresses, the BOSTON AMERICAN will give its columns to the use of the comrades as a "Post Office."

Beginning as the veterans arrive in the city and continuing until the week of the encampment is at an end, all persons desirous of communicating with old friends or comrades are invited to write them open letters, which will be printed daily in the BOSTON AMERICAN. The necessary space to publish them will be given daily, without charge.

They will be printed promptly, and by this means veterans can ascertain if their old friends are in the city, find their location, get in touch with them, or interchange the sentiments that the limited time and the vast number of Grand Army men in the city will not allow them to do personally.

In order to give everyone a chance, letters will be limited to 100 words. Send them to "Grand Army Post Office Editor, the BOSTON AMERICAN, No. 82 Summer street, Boston." They will appear in the issue of the paper next following their reception.

LADS WITNESS BABY SISTER'S FALL TO DEATH

Plunged 50 Feet from Fourth-Story Window—Brother Picks Her Up, Dying.

Five-year-old Willie Wilcox, of No. 74 Berkeley street, Cambridge, and his three-year-old brother Dennis, saw their baby sister, Margaret, fall fifty feet from a fourth-story window, land on the piazza roof, and were rushed to the sidewalk, where she lay dying.

"We were playing in the yard and sister fell," says Willie. His younger brother cries when people speak of the death of his sister.

Billy Margaret, eighteen months old, was taken in her crib to a fourth-floor room. She crawled out and managed to climb on to the sill and then fell. The window was shut, and only partly closed, and she was not seen until she was found.

When Willie saw what had happened, the little boy ran down the stairs and carried it up on the front doorstep. Neighbors rushed to the aid of the child, who died in the Massachusetts General Hospital a few hours later.

Opinions Are as Varied as Are the Comic Creations of the Artists.

Which is your favorite among the comic creations of the BOSTON AMERICAN staff of famous artists? Which of the series of cartoons now appearing do you like best?

A number of the original, signed drawings, suitable for framing, will be given to writers of the most interesting letters stating preferences, and giving reasons for the selection.

The competition is keen and your letter must be bright, pointed, crisp and to the point. Pick your favorite, give your reasons for the choice and send your letter to the Comic Cartoon Editor, BOSTON AMERICAN, No. 89 and 92 Summer street.

Following are some of the letters of the many hundreds received:

BOSTON

CALLS THEIR WOULD-BE COMIC

EDITOR BOSTON AMERICAN:

The "E. Z. Mark" cartoon pictures are not so bad as the others on the same page, but a paper of your heavy and solid, up-to-date style, and with such high-class and clever cartoons as Alfred A. Maurer used to send me, I would not read these trashy caricatures of your artists. I am, D. W. HOWES, No. 218 Tremont street.

HOW TO PROPERLY SHOW UP THE

EDITOR BOSTON AMERICAN:

The AMERICAN is so good in all its features that a little caricature of it is not too much. The cartoon is a waste of space, even if readers who would mock look at it as a caricature of the paper that has been so good to them on the regular.

Some of your readers say they like the "Mark" because there is a moral to it. But I don't see the moral. I don't see the humor. I don't see the attraction to the eye and mind.

My idea of a cartoon is a picture that is so good that it is simple and direct. It is a picture that is so good that it is simple and direct. It is a picture that is so good that it is simple and direct.
